

APAC Family Office Investment Summit 2018

The Four Seasons Hotel, Hong Kong

21-22 June 2018

POST EVENT REPORT

Background

It is with great pleasure and satisfaction that we provide this executive summary outlining the success of the first edition APAC Family Office Investment Summit.

1. The Summit hosted an incredible 105 delegates
2. Attendees included 71 Elite Single and Multi Family Offices
3. The Summit welcomed delegates from across Asia Pacific and Globally
4. The LP/GP ratio was an unprecedented 68:32

The Summit was hosted in Hong Kong by a prominent Family Office for Family Offices.

The Summit provided two days of private peer-to-peer conversation, networking and thought leadership designed to identify actionable investment strategies in our current low yield environment. The Summit advisory board - made up of Family Offices – was highly focused on pre-qualifying Family Office delegates to include only decision makers and key family members.

Programme and Speakers

As the Summit was organised and hosted by a Family Office, there were an unprecedented number of APAC Family Office speakers compared to any other event to date in the region.

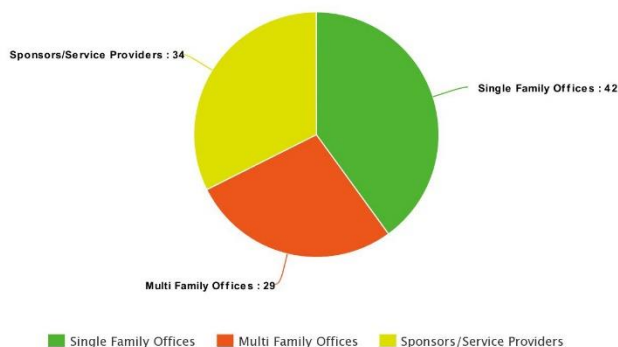

The Family Office delegates reported that they felt very comfortable participating, as they were invited by their peers in an exclusive invitation-only, closed-door environment.

The Summit programme was based on recommendations from the Family Offices. However, it is also thanks to our 32 speakers that the Summit was such a success.

Attendee Composition

Our attendees represented many different types of businesses from many different countries. The delegate list included:

1. 42 Single Family Offices
2. 29 Multi Family Offices
3. 34 Sponsors/Service Providers

The audience were well selected resulting in interesting conversations and business opportunities. Donna NguyenPhuoc, Partner, Sparq Capital

"The event was well organized, with knowledgeable panellists. I did not have a chance to attend both days, but the moment that I was there the quality of the participants seemed great. I participated as a moderator and enjoyed both the questions from the audience and the interaction with the panellists."

Fernando Martinez, VP, Octagon Strategy

"The Summit has been very good. This is our second event with Alea Global Group, with our first being in Dubai. The guys have done a great job, there's been good communication between both parties and that's very important. I recommend this event highly to others. The quality of families is very good."

Scott Harris, Business Acquisition Manager, Adjure Global

"The Summit was great. It was low key, and the right people were here for us. I think the sophistication of the attendees and the way in which the whole thing was choreographed was top shelf."
