Background

It is with great pleasure and satisfaction that we provide this executive summary outlining the success of the first edition APAC Family Office Investment Summit.

1. The Summit hosted an incredible 108 delegates
2. Attendees included 74 elite Single and Multi Family Offices
3. The Summit welcomed delegates from across Asia Pacific
4. The LP/GP split was an unprecedented 70:30

The Summit was hosted in Hong Kong by a prominent Single Family Office.

The APAC Family Office Investment Summit provided two days of private peer-to-peer conversation, networking and thought leadership designed to identify actionable investment strategies in our current low yield environment. The Summit was hosted by a Single Family Office. The advisory board – made up of Family Offices – was focused on qualifying delegates to include only key decision makers and key family members.

Programme and Speakers

As the Summit was organised and hosted by a Family Office, there were an unprecedented number of APAC Family Office speakers compared to any other event to date in the region.

The Family Office delegates reported that they felt very comfortable participating, as they were invited by their peers in an exclusive invitation-only, closed-doors environment.

The Summit programme was formulated based on recommendations from the Family Office advisory board and included topics such as Real Estate Investment, Digital Assets Investment, PE vs VC, Wealth Structuring, Succession Planning and Philanthropy.

Programme Highlights

Among our well received programme were some notable highlights.

We were honoured to welcome **Mr. Anson Chan**, Chairman & CEO at **Bonds Group of Companies** of Hong Kong, **Mr. Daniel Saw**, Managing Director at **Fung Investments Group**, also of Hong Kong and **Mr. Albert Hui**, Head of Global Family Office at **Noah Holdings** of China.

SUMMIT STATISTICS

The Summit delegation consisted of a majority Family Office audience. This ensured that the focus of the event remained centred on the family offices whilst also creating a highly exclusive environment for the few GP's in attendance.

70% LP's

45 Single Family Offices

29 Multi Family Offices

34 GP's / Sponsors

68% Principals

Of the 74 family office delegates, 68% consisted of the Principals and Founders of those Family Offices. This high-level delegation ensured productive and efficient networking between participants.

Our Next Event

Due to the tremendous feedback received from the Summit delegates, it is an honour to announce a second Summit, which will be held on the 23rd & 24th May 2019, also in Hong Kong.
